Circular 32 of 2022: Requirements for administration of medical schemes

Purpose

The Requirements for Administration of Medical Schemes document published in April 2020 has been updated to include Limited Administrator Accreditation ([Circular 31 of 2022](#)). All other requirements for administration remain the same.

The updated Requirements for Administration of Medical Schemes document is available [here](#).

Application and implementation

The Requirements for Administration of Medical Schemes document is applicable to all entities providing administration services to medical schemes, including those that provide limited administration services.

The **effective date of implementation** is 1 October 2022.

Yours sincerely,

Mfana Maswanganyi
