Circular 51 of 2022: COVID Financial Reporting

In [Circular 12 of 2021](#), schemes were required to continue to submit the COVID financial reporting required in [Circular 54 of 2020](#) in excel via email as a transitional arrangement, in addition to the new system submissions that were highlighted in [Circular 11 of 2021](#), for a period of two months (January 2021 and February 2021) as a parallel submission.

The Council for Medical Schemes (CMS) wishes to confirm that the parallel submission of financial related COVID data by way of the separate excel reporting template is no longer required. The requirements of Circular 11 of 2021 still applies.

Your cooperation will be highly appreciated.
