Circular 23 of 2023: Live Webinars for Healthcare Brokers

The Council for Medical Schemes (CMS) will be hosting live Webinars for Accredited Healthcare Brokers. The webinars will take place in CMS' virtual classroom over two days, followed by a compulsory assessment.

COST: R400.00 per delegate

DATES:

Intake 1: 25-26 July 2023 (Virtual classroom)

Summative Assessment: 27 July 2023

Intake 2: 07-08 Nov 2023 (Virtual classroom)

Summative Assessment: 09 Nov 2023

Delegates can only claim allocated CPD hours if they have attended the full two days and successfully completed the assessment.

TOPICS: The following topics will be covered:

- Compliance requirements for Financial Service Providers (FSPs) and understanding Board Notice 194
- The FAIS Act and the code of conduct for FSPs
- The Medical Schemes Act and accompanying regulations including recent court rulings and judgements
- Broker accreditation requirement, conduct and ethical behaviour
- Overview of healthcare and PMB Costs
- Low-Cost Benefit Option Project Update

CONTINUOUS PROFESSIONAL DEVELOPMENT (CPD):

Delegates can claim *7.5 verifiable CPD* hours approved by the Financial Planning Institute (FPI).

REGISTRATION:

Please use your full names, surname, and BR number as your reference number. Each participant must have a separate BR number. No group registration using one BR number is allowed.

Click [here](#) to register for the workshop.

The agenda and the link for the webinar will only be sent to delegates who have paid for the training. Kindly send your proof of payment to the contact person indicated five days prior the date of the training. Failure to do so will automatically remove you from the delegate list.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Mpshane', is written over a horizontal line.

Ms Mmatsie Mpshane
