Circular 32 of 2026: Registration of Mint Medical Scheme

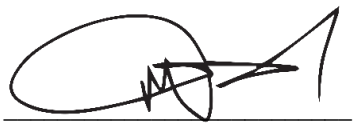
Notice is hereby given that Mint Medical Scheme has been registered as an open medical scheme in terms of section 24 of the Medical Schemes Act (131 of 1998), with effect from 1 January 2027.

The registration follows Council's consideration of the application on 23 September 2026 and its concurrence with the Registrar's decision to approve the registration, subject to specified regulatory conditions. The Scheme has been allocated registration reference number 1599.

The registration of Mint Medical Scheme increases the total number of registered medical schemes in South Africa from 70 to 71.

The medical schemes industry and other stakeholders are requested to take note of the registration and update their records accordingly.

Yours sincerely,



Dr Musa Gumede
Chief Executive and Registrar
Council for Medical Schemes
